Conceal Carry Weapon (CCW) Courses

The State of Ohio requires all applicants for a Conceal Carry Permit to undergo six hours of class instruction and two hours of range time.

On Mission Firearms classes are objective based to ensure every student is properly instructed. Every student will meet their required time and additional time will be available to ensure you have the proper knowledge and safety skills needed to obtain your permit.

1:00pm - 2:00pm: Written test completed and graded.

2:00pm - 3:00pm: Range rules and safety requirements.

3:00pm - 5:00pm: Shooting test on gun range.
